The hall is an open space of about 120 m² with a reception, a bar and a breakfast room. There is a single red counter with a lowered reception area and a higher bar area. The reception area has two white swivel seats in front of the counter and other colored seats for waiting. At the bar counter we find high and white stools. The wall features wallpaper depicting vintage photos in black and white. At the bottom left of the open space there is the breakfast area and a counter that divides the buffet area from the tables with yellow seats.

The times are approximate as they are subject to the variability of the day or of the client affluence. Guests are invited to report their arrival in advance and our operators will be able to give *ad hoc* instructions based on the occupancy rate.
